Purpose

The general purpose of the Joint Environmental Affairs Board is to maintain and improve the quality of the environment in Lee County.

Appointment Authority

Effective May 1, 2015, the Sanford Environmental Affairs Board (“EAB”) was dissolved by the City Council of the City of Sanford as provided by Resolution No. 2015-08, adopted March 17, 2015. Effective May 1, 2015, the Environmental Review and Advisory Committee (“ERAC”) was dissolved by the Lee County Board of Commissioners as provided by Lee County Resolution No. 2015-6, adopted March 2, 2015.

Effective May 1, 2015, and under the authority granted in Chapter 153A-76 of the North Carolina General Statutes and resolution dated March 2, 2015, the Lee County Board of Commissioner created a Joint Environmental Affairs Board (“Joint EAB”), in an effort to avoid duplication nad unify the strong team of advisors of ERAC and EAB, with representatives from Lee County, the City of Sanford and the Town of Broadway. By-laws were adopted by Council on July 21, 2015.

The Joint EAB is comprised of seven (7) voting members: three (3) appointed by the Lee County Board of Commissioners, three (3) appointed by the Sanford City Council, and one (1) appointed by the Broadway Town Council. In addition, three ex-officio, non-voting members shall serve on the Joint EAB: a representative of the Lee County Board of Commissioners who serves at the appointment of the Chairman; the City of Sanford Manager or his designee; and the Mayor of Broadway or his designee. All appointments or reappointments will be for three-year terms.

Authority of the Board

To advise as requested regarding environmental issues.
